## EDITORIAL

**H**ooray, we're now half way through 2016! Now, before you all groan that time flies, we'd like you to remember there's plenty to look forward to as summer comes upon us. Top of the list, is the Queens official birthday and in her 90th year, we felt it only proper to doff our caps to Her Majesty and raise a glass (any excuse for a tippie!). Though we reckon you'll be more light-headed than the Household Division on parade, once you've perused this month's Club. With more crumpet than you can shake a butter knife at, we know you're going to melt for the likes of Emma, Maya, Mia and Cecilia to name a few, purely because we couldn't get enough!

Dear Club,

I am a real-life female sex slave, and love the life that I have chosen. At my Mistress's whim I will open my legs, bottom cheeks and mouth for anyone that she instructs me to. I am about 5' 4", with long blonde hair – slim, but with fairly heavy breasts and a wide mouth that I love to wrap around a big juicy pussy or cock.

Unlike the submissives in fantasy stories, I lead a normal workaday life, stocking shelves and behind the tills at a major chain store. However, after I have finished work each evening, and all through every weekend, my Mistress micromanages my leisure time entirely. It is hers to command.

I do not have to do more than my fair share of chores around Her house, nor would Mistress do anything so obtuse as to whip me for imagined faults. No, I am here for her use: to satisfy her every sexual need and whim. And use me she does! Every evening when I return home from work, I get on my knees in front of her and pleasure her with my tongue.

Sticking my face under her skirt, I pull her lacy skimpy down with my teeth. It is always a pleasurable and intense experience, inhaling her familiar scent and tasting her sweet stickiness on my tongue and lips. I have become very adept at pleasuring

Mistress, and know just the right places to stimulate with my long, pointed tongue. The reward for my efforts is the gentle stroke of her hand on my hair, and the delicious taste of her libations as they ooze from between her beautiful labia – truly delightful.

However, my Mistress also likes to see me being used like a slut and getting fucked by plenty of men. She has always enjoyed my penchant for thick black cocks, and sometimes she fingers me as I fantasise aloud about the nasty games I would get up to with a group of big black studs.

One evening last summer when I arrived home from work, Mistress had a surprise waiting for me. Instead of allowing me to eat her as usual, she ordered me to strip completely and to go into the living room. What a shock I got when I opened the door and saw four big brawny black blokes, each stroking his boner. I was dragged into their midst and felt them pressing their meat against me. With a fat black cock in either hand, and two more pressed against my mound and arse, I was in seventh heaven.

Those four guys did everything to me... I was bent over and held in place while a thick cock plunged straight into my cunt like a pneumatic drill. While my pussy was being

fucked hard, his mate stretched my jaw wide as he fed his length deep down my throat. Their technique was sensational, and for the first time I found myself in a complete sexual frenzy, pulling two cocks while being coked from either end.

I heard a camera snapping and saw the flashes as Mistress circled the group taking photos, and telling them to fuck me harder. The first bloke spuzzed off in my mouth and I almost choked with the sheer amount of junk that he shot down my throat and over my face. As if it were a signal, his mate jerked his load inside my quivering cunt, making me squirt as his thick meat filled me to the root.

I had barely got my breath back before their mates had taken up positions at either end. The one behind opened my cunt lips and stuck at least two of his fingers inside, scooping out globs of my previous front door visitor's cum. Smearing it on my ring, he forced his thick digit inside and began to finger-fuck my anal sphincter.

I loved it more than I would have thought possible, and when he replaced his finger with his thick knob, I came off like a steam engine, my pussy clenching and spasming as I chugged through a series of amazing orgasms.

When I gulped for air, the black bloke who had been holding my shoulders and watching the display took the opportunity to rub his pre-cum across my cheeks. He pulled me upright and carried me over to the table. He was bigger than the others and his cock was a formidable size. He laid me on my back on the dining table and pulled my legs up and over his shoulders before ramming his big cock inside my oozing cunt.

As his outsized prick reamed my clenching cunt, I began to near climax. Mistress wanked one of the other studs' cocks over my face, and the sight of her long delicate fingers manipulating his dark shaft brought me even closer to the edge. My pussy was beginning to clamp around the pounding penis that was plunging inside my hot slot.

While the big penis throbbed inside me, Mistress brought the other cock to climax and aimed the stud's mess across my hair and face. I was creaming myself while I licked as much spunk as my tongue could reach. The big prick suddenly shuddered and my cunt was filled with wads of warm semen.

The stud pulled out and my Mistress took me in her arms and told me I was a very good girl. I literally reeked of cum but she raked my junk-plastered hair back and softly kissed me, tasting the traces of semen from my skull-fucking.

Since then, Mistress has invited several groups of men to use me. And when they have all junked on me I just love to run my fingers over my body through the warm, sticky streams of cum pooling between my tits or on my tummy, and then lick my fingers while looking my precious Mistress deep in her eyes and thanking her.

## Samsung Notebook 9

[www.samsung.com](http://www.samsung.com)

Has somebody just invented a square frisbee? Oh no, it's the latest Ultrabook offering from Samsung, though the 1.85-pound featherweight device would probably have a similar effect once launched through the air. However, couple that with the 2.3GHz Intel Core i5 processor, 256 GB storage, Intel HD Graphics 520, 720p HD webcam and full HD screen, and you've got yourself a golden ticket to portable technology bliss. It's all there, packed into a sleek and stylish 13 inches of magnesium and aluminium, with a depth of just 0.57 inches. Our one gripe with this truly marvellous machine is the battery life appears to be half of the 10 hours advertised, but it does recharge quickly.

## Nest Thermostat

Our homes are getting smarter so we predict that by 2025 we'll be able to revert back to being babies while our home attends to our every need. Or at least we hope so, as we're getting rather tired of wiping our own bottoms. Here to kickstart our delve into household tech we've got the stylish Nest Learning Thermostat (brainchild of Tony Fadell, father of the iPod) from Google-owned Nest Labs. A mixture of metal and glass the Thermostat's construction is slick and refined, with a depth of 3.4cm. It's familiar; a twist action of the body allows you to navigate the device's setting, that include, auto-schedule, auto-away, energy reports and weather-aware, to name a few. This device will actually save you money, which is music to my ears.

## Panono Panoramic Ball

[www.panono.com](http://www.panono.com)

Beware the Panono is a favourite of our canine friends, which isn't surprising given its spherical shape. However, try and keep this little fellow away from chewing and drooling chops, as it won't be much crack after. With an 11cm diameter and weighing in at 300 grams, the Panono packs a punch with a whopping 36 cameras on board that once tossed into the air can capture a 360-degree panoramic picture. The image is captured at the apex of throw, which is judged by the onboard accelerometer and then the 108-megapixel image is automatically stitched together. Images can be downloaded to your smartphone via 3G/4G, providing a world of exploration just above your head. Prices are steep, but the Panono Panoramic Ball is robust and most of all fun. (Currently there is a limited run of 1000 for pre-order, so look sharp!)

**Synopsis:** "Do not miss the first part of Barcelona Heat, a film by Bobby Peru, where a newly married couple decide to go to Barcelona for their honeymoon. **Verdict:** There's more than paella being munched on here, as the first part to Barcelona Heat touches down with some mound pounding action amid the heat haze. We imagine they've got the air conditioning turned up full blast the amount of energy this lot are expelling. To start from the beginning, we open on a honeymooning couple who are busy igniting martial bliss with an arousing

three-way, including stunner Noemilk, when the newlywed Monica (Alexis Crystal) disappears the morning after. Questions need to be asked, but as I'm sure you all can guess the answers lie in debauchery. The realistic settings help to keep this film in touch with reality, and the story line holds to engage, keeping you interested. With plenty of group scenes, this serves as an excellent watch for couples

**Verdict:** The gym just got hot, and I'm not talking your 8th mile on the treadmill, with all that sweat and shaking legs business. I'm talking horny, dirty, cock tickling fun!

The gloves are off in the latest offering from Digital Playground as Sex and Confidence, tests the nerve of the muscle-clad studs to the limit, will they be able to find their feet or rather their hardening tools around these powerful women? Excellent one on one performances from Alexis Adam and Petra Jensen, with Eva Lovia receiving an almighty cock rocketing at the end, as a threesome gets underway in the ring. It's got it all, deep throating, cumshot clean-up, and a magnificent girl-on-girl from Aidra Fox and Darcie Dolace. Pure pleasure from 6 well-devised scenes that will have you blowing your load over and over again.

# TALKIN' BLUE

usual addr

silent fucks.

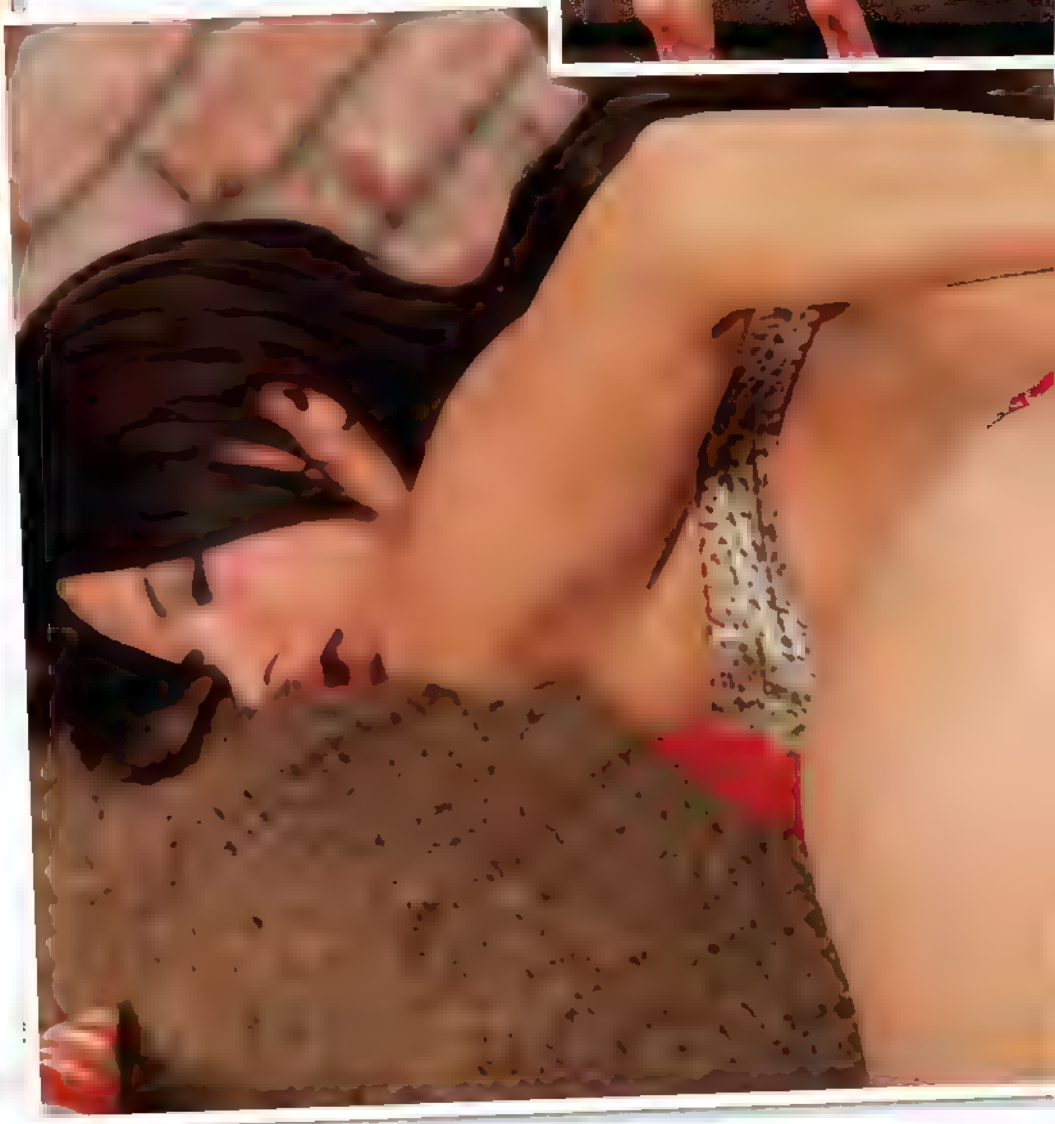

The nightbus was quiet as I sat in the back seat of the top deck, completely deserted apart from a punky looking couple at the front. She had a boyish demeanour, with short black hair, and her face was shot through with piercings. The girl was a mere speck next to the hulking mass of her boyfriend, who sat still and quiet as she jerked and chattered animatedly on the seat next to him. I idly contemplated the nature of their union as they canoodled in front of me. Did she have piercings elsewhere? Who took the lead in the bedroom? Did his large, heavy hands push her down, or did she run rings around him until he fell over?

Somewhere along the line, as occasionally happens in those in-between times of night,

It had been a long, horny night at my friend's house. We'd been watching twisted French movies all evening, heavy on subtitles – low on morality, and there was a dull ache of sexual need in my pussy as I sat on the bus on the way home. The atmosphere had been tense that evening; there were just a handful of us, boys and girls, with enough shared sexual history in a small physical space to lend the air a certain thickness. It wrapped itself around the bodies in the room, and while everyone's eyes were fixated on the screen, I kept an eye on my friends, half-coiled around each other, watching how a tremor from one caused a shiver in the next, a twitch in the other; observing their collective pulse with a smile on my lips.

Fun to watch, but I wasn't playing. Been there, done that, so, lest the mood takes a rare turn from entendre to actual, I made my excuses and left, as outrageous as this may seem to a pornographic publication. The mood stayed with me, though, infecting my vision – I imagined all the people I saw fucking; wondered what their cum faces were like, what their favourite positions were, whether they were screamers, hissers, or

the fantasy in my head and the reality outside of it merged. Every so often, the dark, spiky head of the girl would briefly turn towards me; I didn't know if she was checking to see if I was watching, or if I wasn't – I didn't shift my gaze, anyway. I was in that kind of mood. I watched her long tongue snake out and lick her boyfriend's neck, saw her whisper something in his ear and throw her leg over him. A glimpse of a steel toe capped boot and knee-high sock against a milky-white thigh met my gaze. Nice. Keep on going, girl.

From the reflection in the window at the front, I could see her boyfriend run his hand up her slender thigh before diving inside her skirt. The punk girl wiggled with glee, rubbing her leg against her boyfriend's crotch as he busied himself under the tartan flap of her skirt. I imagined his fingers darting underneath the taut elastic of her knickers, teasing her clit and dabbling in the wetness at the entrance to her sex. The girl rocked back and forth on his hand for a moment, before she shifted her weight so she was straddling her boyfriend, and directly facing me.

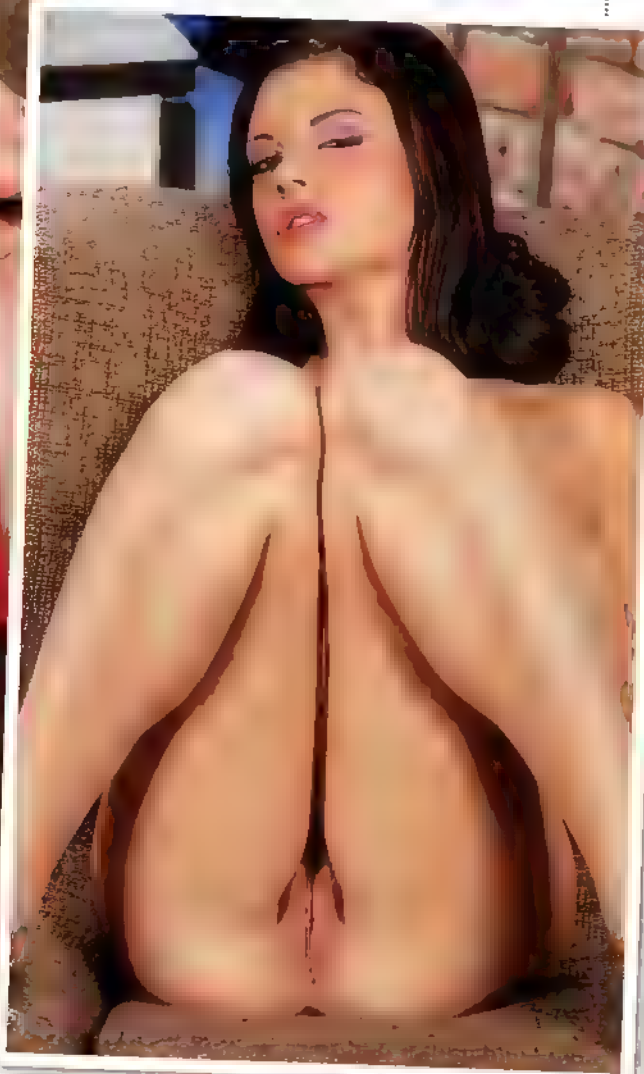

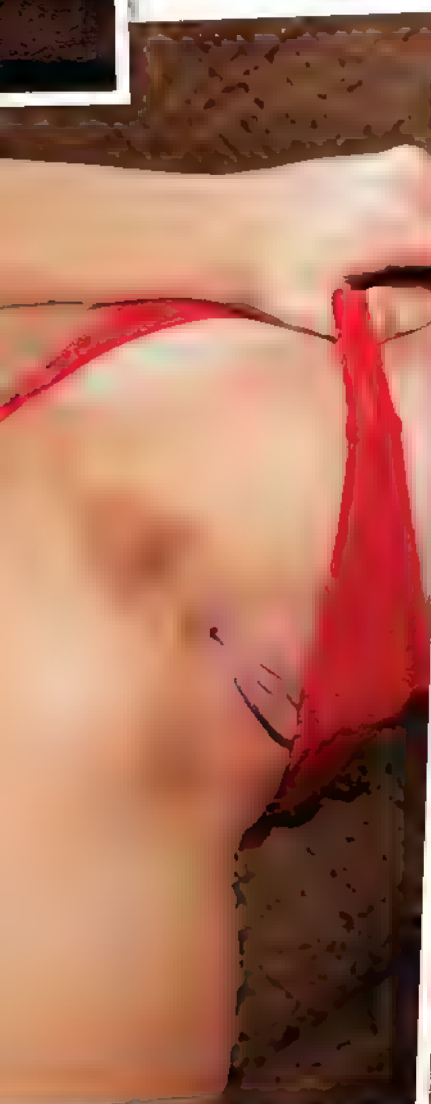

She shot me a look, then reached down between her legs briefly, a wry smile on her face. I can only assume she was unleashing her boyfriend's cock, because after she raised herself up a few inches a moment later, she

**“The girl's fucking became more ferocious, so the bus seat creaked alarmingly...”**

slowly sank down again, with the groan of a woman filled. Her throaty sigh made my cunt pulse empathically, the blood beating in my loins as she sat down, right down until she had fully impaled herself.

She locked eyes with me as she began to grind back and forth, unbuttoning her blouse to reveal pert, pale titties, each pierced with a silver ring, that she pushed into her boyfriend's face. She grabbed handfuls of his hair and yanked his head back as she did so, suffocating him with the small amount of breast flesh she had, and grinding hard upon his crotch. He did not know I was there, and probably wouldn't have cared even if he did. The punk girl heaved up and down on his member as I watched, listening to the thick, wet sounds of her pussy gripping and slurping around his prick, massaging her load out of his length, her eyes still fixed on me. We formed a strange, long-distance connection as I watched her ride him, her body shuddering as she jerked against him like a wildcat, clawing at his neck and head; her jaw set with a determined slutish abandon.

I undid my shirt in response, exposing the lace of my bra, and let my hand return to rest on the top of my thigh. The thrumming of the bus engine was transmitting through my tight jeans, shaking my sex as my fingers rested millimetres from my pussy. The girl's fucking became more ferocious, so the bus seat creaked alarmingly with each thrust. One of her teats popped out of her beau's mouth briefly, and I saw it was red and raw from the eager treatment it was receiving. I took a mental snapshot of the image to save for later, and eyed her

**“...she yanked aside my panties and inserted a finger into the fleshy folds of my twat.”**

steadily – not moving, just watching as she ferociously fucked herself to climax. Low, stifled animal grunts escaped from her throat as she writhed atop her boyfriend, pulling him back and forth in her arms.

Staring right into the dark, dilated pupils of her eyes, I saw her rise to her peak and fall off it, imagining her cunt wrenching her boyfriend's tool as she came. With perfect timing, she slowed to a standstill as we approached my stop. Visions of cum leaking out of her swollen pussy and onto the crotch of her boyfriend's jeans swam before my eyes as I drew my coat closed and silently departed, blowing her a kiss as I left.

*Chelsea, London Bridge.*

I only started buying your great mag a couple of months ago after a friend recommended it. It's always full of the most fantastic babes, and as someone new to the lesbian scene, I hadn't a clue which magazine would provide me with the best wank material.

You see, up until recently, I was an ordinary cock-loving girl, who had never so much as kissed another woman. I admit I had always wondered what it would be like to screw a woman, and had masturbated a good few times while fantasizing about being licked and fingered by girls – but I had never actually done anything about it. This could be because I've always had a constant stream of boyfriends and one night stands, as guys seem to love the fact that I'm curvy, tall and look good in sexy clothes, even if I do say so myself. Anyway, my sex life all changed when Debbie, a friend at work, decided to teach me the joys of lesbian love and boy, was it an eye opener.

Debbie is a petite redhead and incredibly sexy, as she always wears short skirts and high heeled boots to work. Some of the lads joke that she must be a dominatrix because of her love of leather and I must admit, it is easy to picture her wielding a whip while some poor guy is tied up in front of her. On this particular occasion, we had gone straight to the pub after work and downed a couple of bottles of white wine as we chatted about relationships and other girlie stuff.

While drinking our third bottle, Debbie suddenly asked if I ever fancied women. I told her that I did find some girls very sexy, but had never indulged, as the opportunity had never arisen. A strange look came into her eyes, and she leaned in a bit closer until I could smell her perfume and got a close-up view of her gorgeous tits bulging out of her low cut top. “Do you think I'm sexy?” she purred, running her finger suggestively down my cheek.

“Yes!” I blurted out, realising quickly where this conversation was heading.

“Would you like me to show you how amazing fucking another woman really is?” Debbie whispered in my ear. I didn't answer but smiled coyly at her, and suggested we leave for my flat. It all happened so quickly, but the anticipation and the alcohol had made me feel brave and very horny. As we drove in the cab to my place, Debbie placed her hand on my thigh and slowly caressed my leg until her fingers were just beneath the hem of my skirt.

“You're wearing stockings, you little tease!” she exclaimed, “That'll give me easier access to your pussy.” I was trembling with excitement by now and, without thinking, leant over and placed my lips over Debbie's. Her tongue began to explore my mouth as her fingers moved up the inside of my thigh and rested on the crotch of my panties, tickling my clitoris

through the taut satin material. I plunged my own tongue into Debbie's mouth, and we snogged feverishly until the cab reached home. The grin on the cab drivers face told us that he had enjoyed the show.

We were barely through the door before Debbie pulled me to her and groped up my skirt for my pussy. I did the same to her and was amazed to find she wasn't wearing any knickers, so my hand was immediately touching her hairy cunt. I parted my legs so Debbie could work my pussy better, and gasped as she yanked aside my panties and inserted a finger into the fleshy folds of my twat. My legs nearly buckled but, following her lead, I pushed inside her pussy as well. She was an expert, and my pussy juices began to flow as I ground another finger into her equally sodden gash. I pulled her over to the sofa, my fingers still embedded inside her as I used my other hand to unclip her bra. Her tits were awesome, and she pushed them into my face until one fat nipple found my mouth. Mmmm, it felt so dirty sucking on her tit while she pumped her fingers inside me, and when I felt a digit begin to tickle my bumhole, I came like a volcano all over her hand. As the orgasm subsided, Debbie pulled her fingers out of me and sucked my glistening cum from them as I watched.

She knelt between my legs and stuffed her tongue into my soaking fanny, grinding her whole face against my mound as she delved deeper and deeper inside. Her finger returned to my arse, but this time she used my cum as lubrication to bury it up to the second knuckle inside my rear passage. This was fantastic, but I needed to taste her cunt, too, so I slid onto the floor and indicated for Debbie to assume the classic '69' position. She straddled my face, her finger still poking my arse while I turned and licked the four-inch heel of her kinky boots.

Her tongue flicked my clit as she lowered her gooey hole onto my mouth, pressing down hard so that her pussy lips spread over me, engulfing my mouth and nose. I couldn't breathe, but I could suck, and slurped down as much of her thick twat juice as I could, using my nose as a miniature dildo at the same time. Debbie came in my mouth, actually squirting cum down my throat like spunk. I gripped her fat breasts and pinched her nipples to hasten her release while she bucked and wriggled on me, smearing my face and neck with delicious musk-scented cum fluid.

After we had recovered, I led Debbie to bed, where we continued to fuck with fingers, tongues and my trusty vibrator until early in the morning. Okay, I still like guys and getting my cunt full of cock, but Debbie has opened up a whole new world to me, and thanks to your magazine, I now have the perfect fantasy fodder for my lezzie wanks!

# PEACHES

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

## GONE IN A FLASH

After more than just a couple of totally fucked-up relationships, I think that anonymous sex is the business. You know what I mean: 'find 'em, fuck 'em, and forget 'em. Take the bit of skirt I pulled on the road last weekend, Susan.

Susan was fit: long dark hair, nice tits, and a terrific arse, she was working on the till at the café where I had my lunch. I was feeling horny, and while in the queue, I was imagining giving one to a curvaceous redhead sitting in a booth chatting to her spotty boyfriend. By the time I had reached the till my cock was tentpoled the front of my trousers.

Susan smiled up at me as she gave me my change, before lowering her gaze back to my crotch. "Feeling happy to see me?" she teased as my knob strained hard against my underpants before she scribbled her mobile number on my receipt and told me she finished work at five.

This bird was game, and we were barely in my hotel room when she began nipping my clothes off. I told her to 'keep herself busy' while I had a shower. As I was drying myself

with a Polaroid camera. I picked up one of the photos on the bed; it was a close-up of her arsehole. Dirty bitch! It certainly had the desired effect, though...

Susan's hand reached for my stiffening prick, and she grasped the shaft, skillfully teasing the skin back and forth. She dropped to her knees with her scarlet lips open wide, and I watched her tongue dart out of her mouth and moisten her red lips as she leaned forward, and took just the cockhead into her waiting mouth.

The suction of her lips as her tongue slid back and forth over my sensitive glans was wicked, and her cheeks hollowed as she poked her wet tongue hard against my jap's eye.

I pulled her head back, my hands buried in her long dark hair, knowing that if she kept sucking me, I would splash off and miss out on sampling her other assets. So, giving her a playful slap on her rump, I told her to get on the bed and show me her cunt. Willingly, she hopped on top of the quilt and reached down to spread the front of her pussy open, showcasing the bright pink moistness

between her dusky inner lips.

Her fingers forced the hood over her clit to retract, and it poked out proudly like a miniature rock.

Rubbing her finger over it with circular motions, she began to contract her pussy; her breath came in loud gasps as she frigged herself easily to climax. Then, pulling me to her, she rubbed my knob-end against her clit, its hard bud making me feel even hornier. The dirty little bitch was gagging for it as bad as I was, and when I teased her by pulling back a few inches, she lost her rag and turned on me in red-faced frustration.

"Come on, you great bleeding prick," she hissed. "Either shove that big cock all the way up me, or I'm off."

I like birds who talk shit like that. I wasn't offended. She was in for a right thorough sorting now, and no mistake. And she was ready, too. Her pussy was gleaming with her sex fluids, which oozed out from between her dark fanny flaps, and watching her relax and contract her pussy muscles, I wanted to stab my todger into her box on the spot. From the way the little whore was behaving, I knew she'd been round the block a few times, so I pulled away from her, and rummaging through my pockets, found a johnny and rolled it on over my porker.

She wailed at me to hurry it up, to bury my knob in her right up to my bollocks. I moved back into position, yanked her legs wider apart, and stuffed the head of my penis against the warm wetness between her meat flaps. Holding her down, I flung my hips back and shunted the entire length of my cock into the demanding little bitch's soaking snatch.

I made every effort to give the bossy little bint just what she asked for, ramming her hard and fast, repeatedly slamming into her greedy hole with as much force as my tool could take. She sank her teeth hard into my shoulder, her pussy muscles contracting

around my shaft as she attempted to control the pace.

'Fuck that,' I thought to myself, 'that bloody hurt, girl,' and I leaned forward and pinched her nips, making her squeal loudly. "Don't play with me if you want to have a hole left at all when I'm finished fucking you," I growled at her – which only seemed to drive her lust-fired cunt even wilder. She humped and bumped under me like a mad-woman while I continued to slam into her sopping gash.

Without a doubt, this Susan bint

**“ Her pussy was gleaming with her sex fluids, which oozed out from between her dark fanny flaps.”**

was the horniest ride I have had in a long time. She fucked like a feral cat, clawing and scraping my back with her nails as her hips arched up to meet my pumping rod. It seemed that we could not get enough of one another as we strained and ground into and against each other's genitalia. Then her cunt started to contract around my shaft, her pussy muscles constricting like a tightened elastic band as she attempted to milk my balls dry.

Fortunately, I'm no pushover, and I withstood her efforts to jet off so soon. I still had plans for her lovely arse. With my cock stuffed deep inside her chuff, I froze and warded her out as I felt her cunt-muscles spasm through two violent orgasms. Gritting my teeth, and focusing on the bum-fucking that I had planned for her, I managed to control the ball breaking orgasm that threatened to erupt at any moment. When her orgasm was finished and her pussy muscles relaxed, I pulled out of her sodden fuck hole.

While she was still weak from her orgasm, I

**I managed to push my entire length inside her spasming rectum..."**

flipped her over, positioning her on her hands and knees with her head in amongst her dirty pictures, and pulled her arse cheeks wide asunder.

What a fucking lovely crack she had! I stuck two fingers into her pussy and coated them with her warm pussy slime, then rubbed it into her sphincter. With a wriggle of her hips she pushed back, impaling her ring on my fingers with the casual ease of a porn star. I have to admit that she was every bit as good as one, and as I pushed another finger inside her ring, she wriggled around on it until all three were sitting comfortably inside her.

I tell you: this bird was actually sobbing with excitement as I pushed my old man through her tight sphincter and entered her orifice. It was a bloody tight fit, but I managed to push my entire length inside her spasming rectum.

Reaching forward, I gripped her long hair and separated it into two bunches, which I used like reins. Shunting my cock forward, I dragged her head back by the bunches and started to ride her tight ring like a fucking jockey going for it at Newmarket.

The bint loved it and encouraged me to keep going by pushing her nicely rounded buttocks back to take my cock. My whole being was concentrated in my prick; her arsepipe was warm and tight as I fucked that rump of hers, banging my balls against her dripping pussy. I pulled her pelvis back to meet mine and shagged her shitter with abandon, forgetting everything but my need to cum. Looking back over her shoulder at me, the saucy bitch stuck her tongue out, wiggling it salaciously, before asking me if I wanted to empty my balls inside her mouth.

I jerked my cock free, and she spun around and began sucking the end of my knob through the condom. The idea of her taking my cock in her mouth after it had been up her arse made me very excited, and I held her head firmly as she sucked on my pizzle.

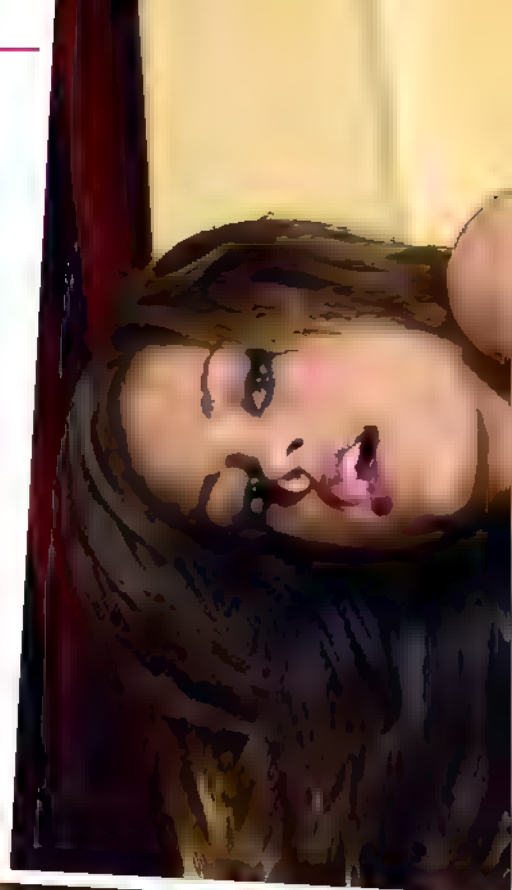

I was ready to cum, but I did not want to waste my mess by blowing my load inside the rubber. Rolling the used condom gently off my inflamed penis, I began stroking while she

encouraged me vocally to blast the whole lot over her upturned face.

Rubbing as fast as I could, I felt the sperm start to jet up my prick and I aimed it right at her mouth - the force of the first shot causing it to overshoot and land on her cheek and in her hair. But the second and third wads erupted with less force, dripping onto her full, moist lips. Her tongue flicked out to capture the salty white mess and I shoved my cockhead into her mouth, hollowing her cheeks as she sucked the last drops from my knackers.

Her face was a picture dripping with my cum, some of which had stuck to her hair, but that, I told her, was her lot. "Keep the photos," she said, "'Cause you ain't having my number! See ya!"

My kind of bint altogether!

Well, Riley's got us all riled up with her cupcake making antics, as has her wonderfully dark and bushy statement of womanhood! With the oven temperature now set to high, Riley's revealing all as she strips down to her sun kissed skin. We pointed out the fire hazarded, but she just winked. Now, it doesn't get better than that, speaking of which we've made some frosting of our own that we'd happily pipe over Riley's thick thatched snatch, wich really would be the icing on the cake!

What our well-placed moles are telling us this month...

# DOWN THE WIRE

## Ring of Fire

I've got business to attend to!

We know the drill; the wife's in the bathroom and your beginning to turtle neck the monster curry you had the night before. Initially, you politely ask your dearest to chop, chop otherwise there's going to be an accident. Then if no response is forthcoming the gloves are off, but not to the extremes of Shawn Cummins, 22, who pulled a 9mm handgun in an apartment, after allegedly becoming upset that someone wouldn't get out of the bathroom. Cummins fired once through the closed bathroom door before being asked to leave by the occupants of the apartment. The police were called and Cummins was arrested and charged with various crimes, including unlawful discharge of a firearm.

## Sign of the Times

We've all done it at one time or another, picked up a traffic cone or street sign (mostly when inebriated) and wobbly proudly back home with the trophy. However, 111 road signs could be considered a little on the excessive side, as Mayor Frank Moracco has now found out. The Mayor of Frankfort Village is facing criminal charges into the disappearance off

111 signs which were given to the Village of Frankfort Street

Department by incorrect channels after

Moracco, a foreman for the state's Department of Transport, donated the signs and bypassed the fees usually applied.

Moracco faces charges of Misconduct and petit larceny. We can believe they did see the signs...

Osbourne's new corporation tax model!

## Baby Bouncer

Lap it up and enjoy! Which is exactly what one father chose to do at Synn Gentlemen's Club, while leaving his 9-month-old daughter locked in a car for an hour. Auwin Dargin pleaded not guilty to the charge of child abuse after the Assistant Manager of the club Matthew Nadeau, and a waitress recused the child by pushing down one of the car windows, which had been left cracked open. They interrupted Dargin's lap dance but refused to hand the child over, and instead call the authorities. Nadeau now faces up to six years in jail for feeding his lustful appetite. The child was eventually handed back to her mother and a parenting book for dummies' was handed to the father for future reference.

This is my sexy face!
